SAILING RULES

All members wishing to sail on boats chartered for club events should follow this procedure:

1. Complete and sign a booking form (which commits you to the event) and send this with your deposit to the event organiser. (Note: The club needs this to book the boats as economically as possible).
2. Prior to your first sailing event of the club year forward a cheque to cover the security deposit on the boats. This is to cover the “excess” on the insurance and will be returned at the end of the season if any boat on which you are sailing has not been involved in any incident resulting in a claim against the security deposit. In the event of such a claim those members sailing on that boat will lose a portion or all of their deposit and will be required to “top it up” prior to sailing again. (Security deposit currently stands at £60 with an additional payment required for any racing).
3. Pay balance of berth fee when due.
4. Make contact with your skipper / organiser at least one week prior to sailing and inform estimated time of arrival, any special dietary requirements, foul weather clothing requirements etc.
5. Turn up at the appointed place and time and enjoy your sail.
